

Welcome!!

Welcome to the Born to Run Summer Classic, hosted by Santa Barbara Supersonic and co-hosted by INXS, June 25 & 26 2016.

The tournaments will take place on the baseball fields of Elings Park. Follow the entry road of Elings Park (Jerry Harwin Parkway) the first parking lot on the left. Parking is available in that parking lot. Note – we are NOT on the soccer fields this year. **The park will charge for parking: \$5 per day.** No vehicles are allowed on the field, so do bring some wheels to move your belongings. There is no natural shade near the ring - pack plenty of shade and cooling devices!

Friday Setup

All clubs are welcome to set up camp any time after 5 PM on Friday; there are no parking charges for Friday. The park gates will be locked after sunset but the park is not fully fenced. While we've never had problems, leaving personal items is at your own risk. There will be no security or campers on-site.

Park Rules

Dogs are only permitted in Elings Park by membership. Dogs competing in our tournament must remain in camp or the competition area all times. Day passes to take your dog to other parts of the park (on or off leash) are available at the Park Office.

Because of severe fire danger, the use of BBQs and camp stoves is prohibited. There are BBQ grills in the picnic areas that can be used. Overnight camping is not allowed in the park.

See our tournament [website](#) for more information and fun details.
